- In 2008, Planned Parenthood called 64,000 voters on the phone and knocked on 11,500 doors in Pennsylvania! Our staff and volunteers spent over 3,500 hours talking to Planned Parenthood supporters with information on state and local pro-choice candidates. PP PA PAC works to ensure elected officials at all levels of government make women's health a priority, and you can help us continue that work by making a contribution today!
